Initial Release

### Description Of Change

ADI is transferring to subcontractor STATS ChipPAC China for the test manufacturing of select LFCSP products.

### Reason For Change

ADI is transferring products to STATS ChipPAC China(SCC) due to the closure of STATS ChipPAC Malaysia(SCM) at the end of 2014. Products will continue to be tested on the same platform, using the same Analog Devices test programs, monitors and controls.

No change in fit, form, function and reliability.
