Dear Valued Customer:

This PCN is to notify a change Shipping media from Tube to Tray for 32pin 450mils SOP Package for 1Mb, 2Mb & 4Mb Low Power SRAM products (refer table.1 for full part number) with effective from 05th Feb 2020. To standardize backend manufacturing process and improve capacity with minimal disruption to supply chain, Alliance Memory Inc decided to proceed this change.

There is no change to Tape and Reel shipping media. This change in tube to tray change has no impact to Form, Fit, Function, Quality, Reliability & Environmental compliance. There is change in MOQ and packing size differences as outlined in table.2 and table.3

Please contact your local Alliance Memory representative if you have questions regarding this information.

Your sincerely,

David Bagby  
President  
Alliance Memory Inc.
